

Australian Rogaining Association Inc.

Proposed Modification of ARA Technical Regulations

Proposal for modification of the ARA Technical Regulations to be considered for adoption at the ARA AGM 2022 (the current version is on the ARA website at <https://rogaine.asn.au/documents/rules-and-standards/rules-of-rogaining-and-technical-regulations-2019>)

Proposed additional clause in the 'Australian Championship Requirements' section:

C10. Scoring at the Australian Championships

- a) Scoring must be implemented using an electronic system approved by the ARA Council
- b) Electronic recording devices must be provided to all members of all teams
- c) At each checkpoint, at least two electronic punches must be provided
